

11th Annual  
LEXUS OF LONDON  
GOLF CLASSIC

[www.lexusoflondongolfclassic.com](http://www.lexusoflondongolfclassic.com)

We are very pleased to announce a new venue and date change as we enter our second decade in support of prostate cancer research & treatment at the L.H.S.C. This year's tournament will be held on Monday June 27th at the prestigious Oaks Golf & Country Club.

Over the past decade this tournament has raised over \$800,000.00 for prostate cancer research and treatment here in London at L.H.S.C thanks to your generous support.

Prostate cancer is the most common type of cancer among men in Ontario. One in eight will develop prostate cancer during his lifetime. On average 430 Canadian men will be diagnosed with prostate cancer every week and 83 will die from it.

With your help we hope to continue to heighten awareness and raise the necessary funds to further research benefiting men and their families throughout the region.

We urge you to get involved. For information about unique sponsorship opportunities, please contact:  
Mark Eisan or Chris Pinelli at 519-680-1900 or by email at [golf@lexusoflondon.com](mailto:golf@lexusoflondon.com)

We hope you will join us for a day of golf in support of prostate cancer research, awareness and treatment.

Mark Eisan and Chris Pinelli  
Lexus of London
